Dear Community Supporters,

Due to Covid-19 the Huntington Beach Council on Aging has moved the date of our annual "On Course" Golf Tournament to October 2, 2020. The location, time, activities and dinner/auction will still be the same. Meadowlark Golf Course, shotgun start at 12:00 noon, lunch and dinner provided.

If you have already Sponsored or Donated to us for this event, we thank you. We will contact Sponsors to obtain your banner, etc. for the event in September. For those of you who have already donated, your donation will again be used for our raffle and/or auction.

The Huntington Beach Council on Aging has been working diligently with the City of Huntington Beach to ensure that our Seniors' are well taken care of. Meals to the Home are still being provided. Transportation for medical appointments or to obtain groceries is still being provided. For those that need assistance with meals, Seniors are receiving frozen meals from the Senior Center in Central Park.

Care Management has had their hands full making sure that all of our Seniors' are okay, have supplements and/or personal items that are a necessity and providing emotional support. The Huntington Beach Council on Aging is still providing the financing for meals, transportation and Care Management as needed.

Your support for this annual fundraiser is needed more than ever and we hope that you will participate again this year. We know that everyone has been impacted by this pandemic but hope that you can help us in supporting our Senior population.
