Hollyhock House & H.M.S. Bounty

Frank Lloyd Wright's Hollyhock House & Included Lunch at H.M.S. Bounty

Friday, February 24, 2023

Our exploration of two historic L.A. treasures begins at Frank Lloyd Wright's Hollyhock House, a harbinger of California Modernism and now Los Angeles' only UNESCO World Heritage Site. After a \$4.3 million interior renovation in 2015 and more recent renovations to the outdoor spaces, visitors now have unprecedented access to this incredible architectural masterpiece. Stand in the sunken living room to admire the massive couch Wright designed to curve around the fireplace. In the dining room you can appreciate the kitchen's mahogany counters and cabinets. While in the conservatory/breakfast room you can admire the astounding wall of windows. Access the restored outdoor spaces, showcasing new aspects of Wright's self-proclaimed "garden house." An example of Mayan Revival architectural with modern trimmings, Hollyhock House was built in 1919 as a residence for oil heiress Aline Barnsdall – it takes its name from her favorite flower, the hollyhock, symbolized in some of the style and décor of the house. As you tour the home and gardens, docents are available to answer your questions and describe the architectural details. This afternoon we'll enjoy an included lunch with choice of entrée and yummy apple pie at H.M.S. Bounty, the iconic, nautically themed, British-style restaurant on Wilshire Blvd that is known for serving up 'Food & Grog for the Weary Sailor.' Founded in 1948, this watering hole has a vast history and longtime celebrity clientele and even features plaques above the booths with the names of the legends who once ate there. **Member Price: \$116; Non-Member Price: \$126 • Depart: 8:30 a.m. • Return: 4:30 p.m.**
